

Steelcase

Lateral Files

800/900 Series

Product
Overview

Steelcase 800 and 900 Series Lateral Files are available as buildup files, offering the ultimate in customization. Choose a basic cabinet and fill it with any combination of drawers, shelves, or roll-out shelves behind a receding door.

**900 Series
Lateral File**

At A Glance

- Knockout holes in cabinets make it easy to gang or reconfigure. Connecting hardware supplied.
- Adjustable glides simplify alignment, compensate for uneven floors.
- Strong unibody construction and corner cabinet braces minimize racking and misalignment.
- Rubber bumpers cushion opening and closing for quiet operation.
- Progressive heavy-duty suspension allows complete access to file contents.
- Front-removable locks simplify field changes.
- Safety interlock prevents tipping. Only one drawer can be opened at a time.
- Most products and colors available within 12 business days.
- Rigorously tested to meet or surpass ANSI/BIFMA standards.
- Backed by Steelcase lifetime warranty.
