

WALDEN™

Bring work environments to life with the natural warmth of wood.

Whether you're furnishing one office or an entire building, choose from a broad range of designs that span from crisp and modern to timeless and traditional.

Whatever you select will seamlessly blend our heritage of fine craftsmanship with today's technology.

If you have something unique in mind, we can help.

We specialize in innovative, custom-tailored solutions delivered with personal attention. With our strong wood tradition, commitment to the environment, and deep understanding of how people work, we strive to help you create inspiring, high-performance work spaces.

WALDEN™

Walden combines a clean, sophisticated look with the flexibility to use both wood and laminate. Create your own statement by choosing from three distinctive edge profiles, four wood veneers, and a range of finish colors. Functionally, Walden's flexible vocabulary of components allows for a wide range of applications from the private office to the reception station.

Walden is all about options...about being able to choose the perfect furniture solution to project your image and protect your budget. Durable and hard working,

Walden represents a solid investment for any business.
