

# Imagine...the perfect exam table.

**STORAGE SPACE:** ALWAYS A SCARCE COMMODITY, YOU CRAVE IT. **ACCESS™** PROVIDES SPACIOUS, CONVENIENT STORAGE FOR EXAM ROOM SUPPLIES ... RIGHT AT YOUR FINGERTIPS.

**VERSATILITY:** NO MORE WORRYING ABOUT LEFT OR RIGHT HANDED TABLES. PASS-THROUGH DRAWERS AND A REVERSIBLE OUTLET PROVIDE THE ULTIMATE FLEXIBILITY.

**STEP:** SAFE AND SECURE, THAT'S HOW PATIENTS FEEL WHEN THEY STAND ON OUR OVERSIZED, FULLY ADJUSTABLE STEP.

## Step Spacious, adjustable and secure.

Stepping up onto an exam table can be an anxious, insecure moment, especially for your patients who are elderly or infirm. The ACCESS Exam Table's unique step system provides a spacious foundation for patients to comfortably and securely step onto. Its infinitely adjustable design can be pulled out to any length or easily tucked away after each exam.

### Step features include:

- Four-leg design for stability
- Infinitely adjustable
- Large, spacious surface area
- Hands-free operation
- Standard 8" step rise
- Smooth corners and edges

## Storage Everything...now at your fingertips.

Your time is valuable. Sacrificing patient time to replenish supplies during the day can be both inconvenient and distracting. With this in mind, we designed the Brewer ACCESS Exam Table to address your storage needs.

### Storage features include:

- Four large, spacious drawers
- Patented pass-through back drawers (no right or left hand problems)
- Accessibility to supplies from both sides of table
- Storage for up to six table paper rolls under upholstery

## Versatility Comfortable with change.

Exam room layouts vary in design. That's why we created the Brewer ACCESS Exam Table to be versatile and flexible. ACCESS easily adapts to any room layout. Its exclusive patented rear drawers are accessible from both the right and left side of the table, allowing ACCESS to fit any exam room configuration.

### Versatility features include:

- Back drawers pass-thru and open on right or left side
- One table fits every exam room configuration
- Electrical outlets can be changed easily from left to right side

### Other distinctive features include:

- Pneumatic cylinder for effortless positioning
- Plush, seamless comfortable upholstery
- 10 designer upholstery shades
