Cachet® Swing-Away

Fixed seating with integrated worksurface combines exceptional comfort, style and durability.

Modesty Panel
9", 12", & 14"

Cachet Swing-Away delivers an exceptionally comfortable fixed seating solution. Chairs automatically self-center, rise to common height, and return to forward position, keeping aisles clear when unoccupied. Sturdy steel legs with cast iron pivots support cantilevered table surface and chairs. The table can accommodate optional power and data modules to support laptop computer use.

Features

- Seat tilts and back articulates to provide unparalleled ergonomic support
