

Classic Rectangular™ Keyboard Platform

Primary Customer Need:

A keyboard platform that allows for the use of both a keyboard and mouse on the same horizontal surface, and provides exceptional stability.

User Requirements:

- A simple-to-use keyboard platform which provides superior stability
- Must be applicable to any furniture system and a wide variety of workstation settings
- Keyboard support structure must allow for usage of alternative-style keyboards such as the Microsoft® “Natural”

Product Features:

- Style Numbers: CSS without Palm Rest
CSSPP with positionable Palm Rest
CSSFP with full-width, fixed-height Palm Rest
CSSAP with full-width, height-adjustable Palm Rest
- Size: Overall Platform dimensions – W27½ x D9½
- Color: Champagne, Charcoal, or Pewter
- Construction: Platform surface is steel. Mouse surface material is PVC.
- Application: Use in straight or diagonal workstation configuration with either the Details Spring Assist, Dialect or Stella mechanisms.
- Warranty: 10 years
- Mounting hardware for Quick-Connect™ capability ships attached to the platform.
- Ideal for intensive computer user or multi-user workstation.
- Ambidextrous, integrated, same-plane mousing surfaces.
- Integral cable guides for wire management.
- Optional Palm Rest is covered in a washable nylon material.
- Superior stability.
- Product meets or exceeds all applicable ANSI/BIFMA test standards.

For a better day at work.™
