

Confidante™ Emitter Kit

Customer Needs:

The Confidante Speech Privacy System Emitters provide a direct field, barely audible, pleasant sound that blocks nearby conversation to provide distraction-free work environments. Confidante emitters are inconspicuous, mounted in the ceiling and adjusted by use of a wireless remote control, included with the Control Module (sold separately).

Product Features

- Style Number: PEMIT
- Size: 2-1/2"H x 3-1/2" diameter
