

Galilei Riser™

Primary Customer Need:

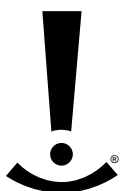

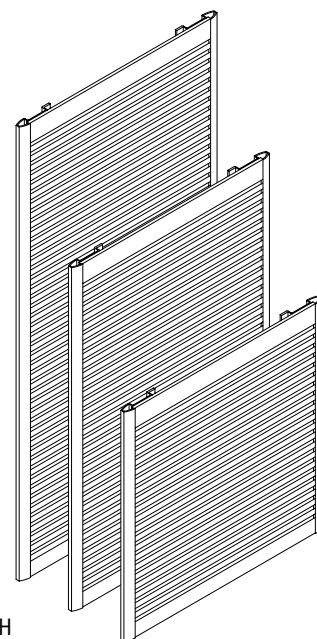

Provides vertical space in the workstation through Slatwall, primarily for laptop, flat screen and small electronic peripherals. For use with Details Galilei components, and Details organizational worktools.

User Requirements:

- A need or preference for regaining space in the workstation
- Gives greater user control of the workstation
- Allows seated or standing positioning – 36"H or 48"H
- For use over a worksurface for passive laptop computing – 24"H or 36"H
- For use as a worksurface replacement for active laptop computing – 36"H or 48"H
- Elevates technology off the worksurface
- Allows placement of slatwall exactly where needed which reduces costs and can improve acoustics
- Contains small personal electronics in an easily reachable manner

Product Features:

- Style Numbers: KP24 W24 x H24
 KP36 W24 x H36
 KP48 W24 x H48
- Color: Pewter, Champagne and Black Powder Coat
- Construction: Extruded aluminum with vertical supports along the back
- Warranty: 10 years
- Application: Wall mount. Stanchion mounting to freestanding furniture for 24"H Riser only.
- Installation: Easy to field install.
- Weight bearing capacity: As with all Slatwall, the Riser can hold a maximum of 60 lbs.
- Dimensions: Total dimensions of any worktools (Galilei and/or OWT) should not exceed the Riser dimensions.

For a better day at work.™
