

# Slider Keyboard Platform

## Primary Customer Need:

A keyboard support platform that allows for the use of both a keyboard and mouse on the same horizontal surface.

## User Requirements:

- A keyboard platform that will support a rectangular keyboard as well as allow for mousing
- Mousing surface will be non-handed and retractable when not in use

## Product Features:

- Style Number: CSP (1½" adjustable palm rest)  
CSPD (3" adjustable palm rest)
- Size: W20 x H3 x D9½  
Mouse Surface – W8 x D8
- Color: Champagne, Charcoal, or Pewter
- Construction: Platform is powder-coated, formed steel. Mouse Surface is injection molded ABS.
- Application: Use in straight or corner workstation configurations with either the Details Spring Assist, Dialect or Stella mechanisms.
- Warranty: 10 years
- Requires 20"-wide knee space.
- Built-in document slot holds up to 20 sheets of paper.
- Ideal for multi-user workstations.
- Ambidextrous, integrated mousing surfaces adjust for left- or right-handed mousing.
- Curved mouse surface design for correct ergonomic positioning.
- The CSP palm rest is height-adjustable in a range of ¼" from ¼" to ½" above the platform.
- Palm rest is covered in a washable nylon material.
- Mounting hardware for Quick-Connect™ capability ships attached to the platform.
- Mounting hardware for conventional attachment is included.
- Cable management routing clips are included with mounting hardware.
- Product meets or exceeds all applicable ANSI/BIFMA test standards.

For a better day at work.™
