

# FYI Dual Flat Panel Arm

## Primary Customer Need:

To support dual flat panel monitors in a workstation environment. Particularly important to users in workstation environments which offer limited space and/or require ease of adjustment for more than one monitor.

## User Requirements:

- Supports the use of two flat panel monitors within a single workstation
- Ease of positioning each flat panel monitor across a broad range of adjustment
- Allows effortless adjustment of height range and viewing angle changes
- Allows monitors to be positioned at the correct viewing distance to relieve eyestrain
- Frees valuable worksurface space that was previously unusable
- Allows for the design of a smaller worksurface footprint as well as the possible elimination of deep corners, yielding more usable square footage

## Product Features:

- Style Number: FPADUAL (FYI Flat Panel Arm Dual Monitor and Desk-Clamp mount bracket)
- Size: W18 x H15
- Weight: 28 lbs. (including Desk-Clamp bracket)
- Color: Charcoal or Pewter
- Construction: Zinc Diecast
- Warranty: 10 years on arm and mounting methods, 5 years on gas cylinder.
- Each arm of FPADUAL is height adjustable a total of 11.5"
- Each arm of FPADUAL has a focal extension of 4.5" to 24".
- FPADUAL has 100° rotation around the base axis and 360° rotation around the upper arm axis.
- 160° of pan adjustability.
- Each arm of FPADUAL can support monitor weights of 5 to 20 lbs.
- FPADUAL has built-in counter-balance tools so the user can easily counter-balance the monitors.
- FPADUAL has integrated cable management.
- Uses a footprint on the worksurface of 7.75" wide and 5.25" deep.
- 2.5" clearance required under worksurface to accommodate Desk-Clamp.
- Quick-Connect™ capability for easy connection (or disconnection) of a monitor.
- Additional screw included to provide monitor security.
- An anti-dislodgment feature is included.
- Rotation allows for landscape or portrait viewing of monitors.
- Tilt mechanism operates through a range of 20° backward tilt and 30° forward tilt.
- FPADUAL ships standard with both the 75mm and 100mm VESA compatible mounting plates.

For a better day at work.™
