ACCORD™

Accord is an elegant and refined seating series... a prestigious choice that will complement meeting rooms, boardrooms and private offices.

Accord is an elegant and refined seating series designed by the renowned designer Zooney Chu. Accord features a finely detailed polished aluminum arm with a sling style back, upholstered with rolled and pleated details, and is available in an array of fabrics or fine Italian leathers. Clean simple lines make Accord the perfect choice for meeting rooms, boardrooms and private offices.

The hammock style sling back embraces the user without creating pressure points. A built-in tension device provides additional support for the lumbar area. The durable, soft touch, self-skinned urethane armcaps provide exceptional comfort and value.
