1 2 4 2 - 1 1 | The D tente Series, designed by Kevin Stark, provides a modern attitude suitable for conference or office environments. The mid-back Executive chair shown here features open, upholstered arms; the unique D tente five-prong base is available in black or satin nickel finishes.

1 2 4 1 - 1 1 | The D tente Series offers the specifier two scale options; Executive and Management. This mid-back Management D tente is designed for the typical-sized male or female user and is also excellently scaled for conference placement.

I 2 4 1 - 2 1 | All Détente chairs feature high density, energy-absorbing foam which provides the user the ultimate in seating comfort. The high-back Management Détente provides generous lumbar and shoulder support. The Détente Series also offers an optional back-height adjustment.

I 2 4 2 - 2 2 | The high-back Executive chair shown here creates the industry standard for support and presence. All Détente chairs are standard with pneumatic seat height adjustment and a synchronized mechanism which allows the seat and back to move independently in a 2:1 ratio, easing back and hip stress.

The Détente optional back height adjustment provides the user with seven locking positions

Left: The Détente Series base is shown in an optional satin nickel finish with a standard dual wheel caster.  
Right: Détente arms are offered in upholstered or black urethane versions.

The craftsmanship incorporated into the Détente Series is evident in the tailoring of the upholstery curves and the top-stitch detailing.

I 2 4 0 - 1 1 | This mid-back Management chair is upholstered in HBF Textiles' Avanti fabric and features an open black urethane arm. HBF Textiles offers a vast selection of original fabrics and leathers available in numerous standard or custom colors.
