

THE LOGIC *meet* OCCASIONAL TABLE SERIES

H B F

LOGIC *meet* occasional tables feature a metal trestle base creating a casual free-floating aesthetic. This rectangular coffee table 54OW x 25OD features the base with a low profile foot option providing a 17" height coffee table.

LGC4024T

LOGIC *meet* Occasional Table Series is designed for use in formal and casual meeting environments. Tables are available in a variety of wood veneers, laminates and solid acrylics as well as a bamboo for tables up to 96" in length. Power/data connections can easily be added to take this group of innovative tables beyond the normal range of occasional tables as an accompaniment to lounge seating.

The LOGIC *meet* Occasional Table Series

LGC4026T This cherry veneer arched boat shaped LOGIC *meet* occasional table features the low profile feet on a satin pewter trestle base. Table top is finished in HBF 02 Medium Walnut on cherry.

LGBA4026T

This arched boat shaped coffee table 66OW x 27OD is constructed with a solid bamboo top in a clear maple finish.

LGA4026T

The arched boat coffee table may be specified with acrylic solid surface tops; in addition to the HBF Ebony Stiles shown here, acrylic tops are also standard in HBF Alabaster White. The taller profile foot elevates the table to a 20" height and provides a more comfortable working surface especially when tables are equipped with the power/data connection option.

- LGA4027T Acrylic solid surface 20" diameter top in HBF Alabaster White
- LGBA4027T Occasional table featuring an environmentally friendly bamboo top in clear maple finish
- LGC4027T LOGIC *meet* laptop table, cherry veneer finished in HBF 02 Medium Walnut

LOGIC *meet* laptop tables are ideal for spontaneous meeting areas where computer access is a requirement. The offset base characteristic ensures substantial leg space for users and also allows ample room to position the base beneath a chair. Table shown here with the HBF Cortona Lounge Series chair upholstered in Avanti 633-16.

- LGL4027T LOGIC *meet* occasional table with Carnation White Suede laminate top and Translucent Ivory PVC edge band
- LGLW4027T Leather wrapped top surface, Vivace 703-35 Caffè from HBF Textiles
- LGL4027T Laptop table with Stonedust Suede laminate top and Fog PVC edge banding

Cantilevered 20" diameter laptop tables are available in laminate, solid surface acrylics, HBF standard veneers, bamboo and leather wrapped. A more subtle approach to collaborative seating, these tables serve both as an occasional table or work surface when needed.

The round power, data unit for LOGIC *meet* occasional tables provides two electrical outlets and two data connections; grommet is satin pewter.

LOGIC *meet* coffee tables are available in 36", 42" and 48" diameter tops, with or without the lower shelf. Metal base options include wood veneer and perforated metal cladding to facilitate wire concealment or the open base with no cladding.

LGL4022T Coffee table, 42" diameter Carnation White Suede laminate top, with open metal base and no cladding

LGL4023T-RS1 LOGIC *meet* 48" coffee table with 40" diameter lower shelf (LGL4023S) and open metal cladding (LGP4020C); cladding provides concealment and easy access to wiring. Casters may be added to facilitate relocation.
