Your office speaks volumes about you. National bookcases and lateral files are the perfect means to keep your important resources at hand (especially those ever-necessary software manuals). Choose fully-assembled veneer or ready-to-assemble laminate bookcases. Although the lines are slender and graceful, those adjustable shelves are sturdy enough each to handle a hundred pounds. And our four-drawer universal lateral file, with smooth-as-silk slides and laminate back, lets you organize document storage solutions front-to-back or side-to-side. They say knowledge is power. You're looking strong, indeed.
