FEATURES

Additional storage is revealed when unit is in the bed position.

The wallsaver design addresses minimal space requirements.

Wood arms are standard with PAT-Shield, a unique antimicrobial wood finish. This durable antimicrobial wood finish is highly resistant to abrasion and chemical cleaning solutions.

When used as a bed, the back cushion folds down to serve as a pillow rest.

Numerous components are field replaceable — including the seat cushion, extended sleep deck cushion and the back cushion/pillow rest.

Rear casters swivel and are locking.

Front wheels are stationary and add increased mobility.

The generous sleep deck accommodates a wide range of patient heights.

Pull strap for ease of extension to chaise and bed positions.
