provides proper lumbar contact and lower body support

- A**
Tension control
allows for a firmer or softer recline
- B**
Tilt lock
locks your chair in an upright position for full tasking support
- C**
Pneumatic lift
easily adjusts to the perfect seat height

Features

- Leader is the perfect combination of high performance and high design.
- Its clean, contemporary look makes Leader the ideal chair for any modern office or conference room.
- Simple controls allow users to easily adjust and position the chair for maximum comfort.
- The sculpted seat enhances both aesthetics and ergonomics. The ultrasoft seat design cradles for comfort and fit.
- Leader provides a wide range of aesthetic options. The back allows for an all-fabric or an all-leather look. Or, specify a fabric or leather front with a high performance ballistic nylon back.
- Choose from over 270 fabrics and 28 leathers to create your own customized look.

Upholstery options

Full leather
Choose all-leather upholstery for a sophisticated, upscale, luxurious look and feel.

Full fabric
When using the full fabric option, utilize solid patterns only.

Leather and ballistic nylon
This option, designed for durability, supports even the toughest use.

Fabric and ballistic nylon
This unique combination emphasizes performance and design.

Arm options

Conference arm
This clean and contemporary C-arm design features a soft surface without compromising durability.

Adjustable or multi-adjustable
Arms feature two adjustments for ultimate keyboard support.

Adjustable:
2 1/2" height adjustment

Multi-adjustable:
2 1/2" height adjustment
1 3/4" width adjustment
