Huddleboard

Form + Function

Lightweight, portable, and versatile – Huddleboard puts marker and display surfaces wherever they are needed. The options are endless; simply choose the solution that is best for your environment.

- 1) Choose a Huddleboard style with a surface that is best for your environment, or a combination of the two.

Markerboards

- Lightweight Markerboards weigh less than five pounds
- Platinum white frame
- Double-sided white marker surface accepts dry-erase markers
- Available in two sizes:
23" x 32" (600mm x 800mm) and
32" x 42" (800mm x 1000mm)
- One year warranty
- GREENGUARD Indoor Air Quality Certified®

Photo Boards

- Lightweight Photo Boards weigh less than five pounds
- Platinum white frame
- Double-sided; both sides accept dry-erase markers
- Front side features 3M repositionable adhesive for clear, flexible cover allowing display without tacks or pushpins
- Reverse side is white marker surface
- Available in 32" x 42" (800mm x 1000mm)
- One year warranty
- Shown with optional ledge grabbers
- GREENGUARD Indoor Air Quality Certified

2) Choose an option for mounting, moving, and displaying your Huddleboards:

Worktool Rail

- Standard with choice of clear satin anodized aluminum or black anodized aluminum with solar black plastic end caps
- Mounts to structural (drywall) walls
- Double track
- Allows Huddleboard to be wall-mounted and slid into position as required
- 96" long (2400mm)

Mobile Easel (Cart)

- Frame in Sterling paint
- Stores and transports up to ten large double-sided markerboards (boards must be ordered separately)
- Adjusts to three different heights - one for sitting (63") and two for standing (71" and 78")
- Grips on the display board hold Huddleboards in place, portrait or landscape

Panel/Structural Mounted Trays

- Sterling paint with Sterling plastic endcaps
- Provides display space and storage for dry-erase markers and erasers
- Can be mounted on structural (drywall) walls
- Accommodates all sizes of Huddleboards in portrait or landscape
- Optional panel mounting hardware for most Steelcase panel systems

3) For further versatility add optional Huddleboard accessories:

Ledge Grabbers

- Anchor Huddleboards to panels, storage cabinets, and other horizontal surfaces. Use portrait or landscape.
- Translucent plastic
- Minimum 1" surface depth required

Flipchart Pegs

- Attaches to the Huddleboard frame and accepts standard flipcharts
- Translucent plastic

Marker Grip

- Attaches to the side of any Huddleboard to hold a dry-erase marker
- Translucent plastic
