

turnstone®

kick® freestanding

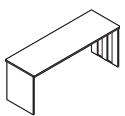

Laminate: 26T1 Natural Cherry V2. Paint: 4799 Platinum.

kick freestanding

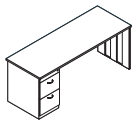

- Modular, versatile, durable
- Simple ordering – one style number for unit components
- Reconfiguration and inventory management are simple with modular components
- Broad statement of line
- Uses the same basic components as Kick panel-based applications
- Blends seamlessly with Kick and other Steelcase systems

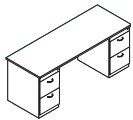

Laminate: 25T1 Winter on Maple. Paint: 4799 Platinum.
